

The Tummy Song

Lead in: I suppose it IS time for a little snack

A pooh bear takes care of his tummy
He fills it with things that are sweet
<tummy growling sound>

A pooh bear takes care of his tummy
By never forgetting to eat
<tummy growl>

He searches for things that are yummy
In every cupboard and shelf
<growl>

He takes most biggest care
'Cause that tummy down there
Is the most biggest part of himself
